

TUQ 90

Trackball with detachable wrist rest

**Description**

The following features make this [Trackball](#) especially well suited for all kinds of applications

- The tactile keys and the large ball are [Ergonomically](#) positioned. The detachable wrist support offers ease of use even for long durations of time
- The ball is especially easily positionable because of its mass and size.
-
- The button lock function makes applications such as drag + drop simpler to perform.
- The resolution is adjustable from 20 to 6400 dpi.
- The [USB](#) version comes in a cool iMac look.

Specification**Mechanical data**
